

French Industrial Base

Custom Furniture – Handmade in Brooklyn

While it's not typical that we feature a base on its own, we believe this one should be an exception. In the style of the one-of-a-kind Redwood Singer Dining Table, Mark set out to recreate these exceptionally unique legs. Made from solid 3/8" steel, this industrial base can serve as a great compliment to any dining table or desk and is available in blackened or brushed steel.

Material: Steel
